To Whom It May Concern

Reference: D³EA[®] PPSV[®] Certification of Brake Pads

The brake pad part numbers referenced below, submitted by:

Brake Parts, Inc. – Affinia Under-Vehicle Group
 4400 Prime Parkway
 McHenry, IL 60050

have successfully completed D³EA[®] PPSV[®] Certification testing on the part numbers and applications shown. PPSV Certified replacement brake friction parts are validated in matched sets (front brake and rear brake pads are tested together, emulating the vehicle braking system) and meet or exceed performance requirements based on Federal Standards for new vehicles.
